OBJECTIVE

Seasoned web developer with 3 years of experience specializing in PHP, JavaScript, React.js, Next.js, Nest.js, SQL & NoSQL Database, WordPress, and Elementor. Passionate about designing, developing, and delivering engaging and user-friendly websites and web applications. Committed to creating and maintaining high-quality, responsive, and optimized websites that drive business growth. Seeking a web developer position that offers good growth prospects where I can leverage my technical expertise and creativity to build custom web solutions and contribute to the success of forward-thinking companies.
